Ceramiche su pietra lavica
Céramiques sur pierre de lave
Ceramics on lava stone

Oltre 25 anni di esperienza nel campo della lavorazione della pietra lavica e nella scelta di materie prime sempre di altissima qualità, ci consentono ogni giorno di affrontare nuove sfide e di accontentare i clienti più esigenti. Grazie alle competenze acquisite sulle diverse caratteristiche del basalto lavico e la continua collaborazione con artigiani, artisti ed architetti nasce "PIKA".

Un connubio perfetto, tra la lavorazione del basalto e le diverse decorazioni artistiche della ceramica, che ci consentono di proporre opere di design e soluzioni d'arredamento per interni ed esterni.

Autre que 25 ans d'expérience dans le domaine des pierres de lave et le meilleur choix des matières premières de haute qualités, nous nous concentrons tous les jours, d'affronter les nouveaux défis et d'être à la hauteur des clients plus exigeants. Grâce à la compétence acquise sur les diverses caractéristiques du basalt et la collaboration continue que nous avons avec les artisans, artistes et architectes est né "PIKA".

Une collaboration parfaite entre le travail du basalt et les diverses décorations artistiques, de la céramique qui aident à créer des décorations et solutions de l'intérieur ainsi que de l'extérieur.

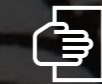

Along with 25 years of work experience in the field of lava stones and in the first choice of high quality materials, we concentrate every day to face new challenges and to satisfy the demands of the most exigent clients.
